MR. & MRS. SANTA FROM ANTIOCH — Bill and Evelyn Schaudt, Antioch, have retired from business and are now employed in fun business of being Mr. and Mrs. Santa for children visiting Hawthorn Center. — Photo by Gloria Davis.

## Retired couple enjoy life as The Clauses

by GLORIA DAVIS

The News decided that since the most important couple of the season is Mr. and Mrs. Santa Claus, a personal interview with them would be very timely.

The couple that is of particular interest to residents of Antioch is presently appearing in front of the giant doll house at Hawthorn Center shopping mall.

Two retired Antioch residents, Evelyn and Bill Schaudt, decided that playing the merry couple was a great way to spend the pre-Christmas season.

The Schaudts have lived in Antioch for the last two years, being summer residents for 52 years.

Early last summer, Evelyn, who was secretary of the Northern Illinois Boy Scout Council and Bill, who was an accountant, retired from the business world. Now they find themselves, a scant few months later, in the busiest world of the young during the season that belongs especially to them.

Angie Maras, also an Antioch resident and public relations director at Hawthorn Center asked them

if they would like to portray the beloved couple and both of them thought that the idea was just great.

"We love kids," says Bill, having two grown-boys of their own along with four grandchildren.

"Last week my son brought one of our grandsons to see Mr. and Mrs. Santa. We were very nervous, afraid that he would recognize us," he said.

"He looked at Mrs. Santa and whispered to his mom, 'You know she looks like grandma.' But he readily accepted the explanation that grandma and Mrs. Claus just looked a lot alike," Schaudt said.

As far as Santa was concerned he was simply talking to Santa Claus.

What are the things that the kids are asking for this year? According to Santa, most girls are still asking for dolls, with Tippi Toes and Barbie leading the list.

The Dukes of Hazzard toys are high on the boys' lists and (don't you wish you invented this one?) 50 percent of all the kids ask for a Rubik's Cube.

## Fields: Antioch Twp. should get revenue from own cable loot

by GLORIA DAVIS

When the rest of the Lake County Board voted to give preliminary approval to the proposals of both Centel Cable Television Co.

of Illinois, Chicago, and U.S. Cable, Waukegan, for servicing the unincorporated areas of the county, three members of the board belonging to District 4 cast negative votes.

R.G. (Bud) Holtz, Jim Fields, both of Antioch, and Donna Mae Litwiler voted against both proposals and Stanley Pekol, Dist. 2, joined them to make the U.S. Cable vote 19-4.

Jim Fields, Dist. 4, also Antioch Township

## Accident kills worker

Funeral services will be held at 11 a.m. Wednesday, Dec. 16 at Strang Funeral Home for Eliot J. Kull, 38, Antioch, who was one of the five construction workers that plunged to their deaths Friday, Dec. 11.

One other worker was seriously injured, when a cable broke on the metal basket they were being lifted in at the intersection of Randolph and LaSalle Sts., on the site of the new State of Illinois Building.

The five workers who were dead at the scene of the accident, reportedly plunged five stories above the ground into a 40 foot pit below the street surface.

Kull, who had been an Antioch resident for over 10 years, is the former owner of a radiator and welding shop in the business section of the village.

Chicago's mayor, Jane Byrne and Gov. James R. Thompson were both at the scene of the accident. Thompson stated that "an exhaustive inquiry" into the cause of the accident would take place. See obituary on page 3.

## Hope to annex 60-acre site for landfill

by GLORIA DAVIS

A multi-national refuse disposal corporation, Waste Management Inc., has begun the groundwork in gaining an okay from the Antioch Village Board to annex 60 acres of land, slated to become a landfill, or dumping site.

The land is located north of Rte. 173 and on the south side of Little Silver Lake.

Ten of the acres have already been annexed to the village. After the village board was acquainted with the company's intent to apply, the board authorized Village Attorney Ken Clark to draw up an ordinance permitting the board to hear the pre-annexation hearings for the property.

The board has taken no action to date since no money was included in the announcement of the intent.

A fee of \$900 must be presented to the board along with an annexation application.

The next steps are to gain the approval and recommendations of both the Antioch Planning and Zoning Commissions, after which action will be taken.

## Good news in The News

### Village cable turned on

The residents of the village of Antioch will be able to watch up to 36 cable tv channels as of this week, starting Monday Dec. 14.

A representative of U.S. Cable reported that as soon as two days after the purchase of the program, the purchaser will be able to watch their first cable tv show.

U.S. Cable Sales Manager Bob Bowsher, has cleared the cable company's marketing procedure with the Antioch Police Dept.

He said that his salesman will begin selling a basic 31-channel package in the village as of Dec. 14, but warned residents that all legitimate cable salesmen will be identified by a U.S. Cable photo badge which will be displayed on their outer clothing.

Cable salesmen will be selling the program in Antioch, working the village in sections, for the next 30 to 60 days. Subscriptions sold at this time will entitle the subscriber to free hook-up. After 60 days, the hook-up charge will be \$32.

The initial \$20 deposit on the cable box, will be returned when and if the box is returned to the company. The cost of the basic 31-channel package is \$8 per month and five separate movie channels will be offered at \$6.50 per package.

Issues of the December U.S. Cable Magazine, listing the programming are being distributed throughout the village to give residents an idea of the type of cable viewing awaiting them.

The franchise agreement between the village of Antioch and U.S. Cable provides that the village will receive three percent of the gross receipts garnered by the cable company, paid to the village quarterly.

# Antioch Township cable

Continued from Page 1

supervisor, believes that the revenue that the cable company turns back to the body that issued the franchise should revert right back to the people that paid those monies.

In other words, instead of having the revenue from all the townships go into one big pot, Fields wants Antioch Township to realize the franchise revenue from the Antioch Township cable subscriptions, so that an area's residents will be benefiting from their own payments.

When Antioch Township first signed a franchise agreement with US Cable they had slated all township proceeds from the agreement to go towards a tv studio at Antioch High School to help serve educational purposes.

Despite the county ordinance banning township cable franchise issuance, Fields says that an intergovernmental agreement would allow the townships to do so.

US Cable, the company that now serves the village of Antioch, Lake Villa, Fox Lake, Lin-

denhurst, North Chicago, Park City and Waukegan was the one that Antioch Township originally signed with. This agreement was negated when the county passed the aforementioned ordinance.

According to Fields, US Cable does not have the right to file any legal complaints against Antioch or Lake Villa Township for non-fulfillment of contract, in view of the ordinance.

The county board having okayed the cable television committee's recommendation for a preliminary approval to US Cable's and Centel's proposals, negotiations will then begin with the Lake County State's Attorneys office, the cable committee and the committee's review team expected to come up with some kind of franchise agreement.

The cable committee approved both proposals on Tuesday, Dec. 8, and if plans go as slated, the committee hopes to have a service agreement drawn up and ready for the county to take action on it at the Jan. 12 county board meeting.

## Village board to file

# Knolls flooding might find grant solution

After spending approximately \$200,000 in efforts to alleviate the flooding problems of Oakwood Knolls subdivision over the last 30 years, the Antioch Village Board will be filing for a \$50,000 grant from the Lake County Community Block Grant (CDBG) funding, on Dec. 15.

In hopes that the use of the funds will finally alleviate the problems entirely, by enlarging and repairing existing storm sewers and installing new ones from North Ave. to Lakewood Dr. and Hill Ct., the board estimates that \$40,000 is the minimum amount that can be received from the CDBG funds if any of the construction is to take place.

The estimated cost of the project is almost \$62,900, the \$12,900 overage will hopefully be supplied through federal revenue sharing monies or if funds are not available from revenue sharing, through the general fund.

The general fund is also slated to supply the additional \$10,000.

Bids on the project will be opened on Feb. 15, with village crews slated to supply part of the labor unless forthcoming bids are low enough for the project to be jobbed-out entirely.

The construction will start as soon as the bids are let with a four month completion date targeted.

**TOYS FOR THE NEEDY**— HMC Barratt C. Stutevant and Gunnery Sgt. Phil Suchecki deliver Toys For Tots barrels to Lakeland Newspapers offices which will serve as collection points for toys throughout Lake County. Marine Corps Reserve, Lakeland Newspapers and other participating merchants annually sponsor Toys For Tots drive which benefits less fortunate children of the area.— Photo By Caroline Kelling.

## Senior project to start building in spring 1983

According to Antioch's Mayor Ray Toft, he expects the actual construction of the 20 to 25 unit senior citizen housing development and the renovation of five low income houses to be started by mid-summer.

The Lake County Housing Authority has to submit their recommendations for the senior site and possible homes to renovate to

Housing and Urban Development Committee (HUD) by the end of December.

"It will probably be March or April before anything is approved, but we will then start the project as soon as everything is okayed and the architect's plan is ready," Toft said.

The target completion date for the project is spring of 1983.

### NEW EMPLOYEE

The Antioch Village Board unanimously approved the employment of David Walsh to help with the park district's basketball program this year. Walsh will be paid \$3.10 per hour.

**INSIGHT INTO  
EYESIGHT**

Dr. R. A. Sona,  
OPTOMETRIST

**ASTIGMATISM**

One of the eye problems that causes blurred vision is astigmatism. This happens when the cornea or "window of the eye" is out of shape. A normal cornea has a perfect curve, with the same degree of slope on all sides. Light rays that pass through the cornea come together at a single point on their way to the retina.

But that isn't possible in the astigmatic eye. The rays of light don't come together at the same point. There are two separate images. This doesn't mean that people with astigmatism see double. But it does blur their vision.

There are three kinds of astigmatism, depending on the eye's point of focus. It's "nearsighted" if the focus takes place before the image gets to the retina. It's "farsighted" if the focus takes place after the image reaches the retina. Or it can be a combination of both.

Whatever the cause, happily, it can be corrected with glasses. Then the images will be sharp and clear when they get to the brain.

In the interest of better vision from the office of

## Obituaries

### Harriet Bowers

Harriet L. Bowers, 74, of Antioch died suddenly Thursday, Dec. 10 at Condell Memorial Hospital, Libertyville.

She was born in Chicago, Sept. 20, 1907 and had been a resident of Antioch for many years.

Survivors include her husband, James; two daughters, Bertha J. Meyers, Antioch, and Lucille (Michael) Olinger of Elkhorn, Wis.; two grandchildren and many nieces and nephews.

Funeral services were held Monday, Dec. 14 at Maginot Funeral Home, Antioch, with interment at Hillside Cemetery, Antioch. Contributions may be made to the Antioch Rescue Squad in her memory.

### Anna Hasselman

Anna Hasselman, 94, of Silver Lake, died Tuesday, Dec. 8 at Woodstock Care Center, Kenosha, after a long illness.

She was born Nov. 1, 1887, in Burlington, Wis., the daughter of the late Fredrick and Johanna Naffien. She had lived in Silver Lake most of her life. She was a member of Christ Lutheran Church of Paddock Lake.

Survivors are one daughter, Mrs. Aretas (Loretta) Keulman of Silver Lake; one grandson and one granddaughter and four great grandchildren.

Funeral services were held Thursday, Dec. 10 at Strang Funeral Home, Antioch, with interment in Salem Mound Cemetery, Silver Lake.

### E.J. Kull

E.J. (Elliot) Kull, 38, Antioch, died Dec. 11 at Northwestern Memorial Hospital, Chicago, from injuries received in a construction accident.

He was born July 12, 1943 in Reno, Nev. He had lived in Antioch for 10 years.

He served in the Navy for 10 years in Vietnam. He had operated a radiator and boat propeller repair shop in Antioch for several years.

He was an iron worker for Midwest Steel Erection Co. of Chicago and was a member of Iron Workers Local One in Chicago. He was also a member of Ducks Unlimited of Antioch.

Survivors include two daughters, Suzanne and Kimberly; his parents, Mrs. Patricia Kull, Reno, Nev. and John Kull, New Jersey; two brothers, Nicholas and Sean, both of Reno, Nev. and a sister, Sheilla Davis, also of Reno.

Services will be held at 11 a.m., Dec. 16 at Strang Funeral Home, Antioch. The Rev. Stephen Williams of United Methodist Church, Antioch, will officiate. Interment will be at Hillside Cemetery, Antioch. Contributions can be made to Antioch Rescue Squad.

## Births

### Robyn Elizabeth Mortensen

A daughter, Robyn Elizabeth, was born Nov. 16 at Victory Memorial Hospital to Kevin and Lark Mortensen of Antioch. She weighed eight pounds, ten ounces. The baby has two brothers, Matthew, four and Daniel, two. Maternal grandmother is Lucille Andre of Lake Villa. Paternal grandmother is Violet Mortensen of Antioch.

### Jesse Lee Woodruff

A son, Jesse Lee, was born Oct. 30 at Condell Memorial Hospital to Randy and Gail Woodruff of Round Lake Beach. He weighed eight pounds, 14 ounces. The baby has a sister, Kerrie Dawn, six and a brother, Steven Michael, 21 months. Maternal grandparents are Charles and Jo Donna Masters of Antioch. Paternal grandparents are Sam and Jennie Woodruff of Round Lake Beach. Great grandparents are Irv and Grace Warren of Antioch.

## Post office sets holiday hours

Post offices will operate on a holiday schedule Friday, Dec. 25 and Friday Jan. 1 in observance of Christmas and New Year's Day.

Postmasters said regular residential and business deliveries and pickups from collection boxes will not be made. Usual post office lobby service will not be available.

Delivery of certain expedited-mail services will continue during both holidays. Included are

special delivery and express mail. Mailers should call their local post office for details and holiday schedules. Normal mail services will resume Dec. 26 and Jan. 2.

The leading national source of immigrants to the United States from 1820 to 1975 was Germany.

# News/OPINION

The Antioch News welcomes letters to the editor. Letters should be on topics of general interest, approximately 150 words or less and be signed with home address and telephone number. Guest editorials are also invited. They should be a minimum of 250 words and signed. The editor reserves the right to condense all material addressed to this page.

## The Time Machine

### When I think about it We're losing personal touch

by GLORIA DAVIS

This electronic age, though it has many wonderful merits, it has many disadvantages, the greatest being the disappearance of that all important personal touch.

As any psychiatrist can tell you, most people like to be touched, either physically or mentally and sometimes both.

Services have long been a large selling commodity, but the personal contact that used to be enjoyed with those who delivered the services has been replaced by a cold impersonal computer or a printed written guarantee that must be filled out the very day of purchase and returned to a non-descript person halfway across the country.

Gone is the 'Gepetto-like' little old watchmaker. A visit to his shop was in itself worthy of the price of the watch repair, with the tic-toc of the myriad of different clocks on his shelves a joy to hear and see.

And remember the local 'fix-it man' who repaired everything from broken toys to small appliances?

Now we toss both away, almost as if they were disposable. Some of the better electric mixers, can-openers etc. have that little form inclosed, just in case your toaster and coffee-maker should both quit at 2 a.m., before Feb 29, the two being geared for a Feb. 28 demise. The current high cost of labor has made it cheaper to buy a new one than to get the old one fixed.

Today we pay for a sticker that allows us to go to the local dump or landfill site, to dispose of our throw-awayables. Are any of my readers old enough or citified enough to remember the rag-man and his horse drawn cart, loudly advertising the fact that he would haul away and sometimes even buy your old junk?

How about the truck full of fresh vegetables and fruits that used wend its way slowly up and down the streets with produce so much better and cheaper than that found in the local supermarkets.

Who could forget the sound of the good humour man's bell, the hot dog vendor, and how many of you ever saw a real live organ grinder with his monkey or the rolling wheel of the scissors sharpener?

I even remember my mother hageling with the vegetable man over prices. She usually won. Can you imagine trying that at a chain grocery store?

I hear the shoeshine boys are back in the more metropolitan areas but who could forget the classic of all hawkers, the capped and beknickered corner newsboy.

If the economy remains in its present slump, maybe the seller will again be forced to go to the buyer and people who like people will again be able to engage in a little contact sport where a personal handshake garners more confidence than the most unique tv or radio commercial.

#### 50 YEARS AGO: DECEMBER 17, 1931

Leslie Perry was elected president, Harry Tillotson, secretary and treasurer, and Frank Kennedy, advisory committeeman of the local branch of the Pure Milk association. Ray Winfield and Nels Nelson were named delegates to the Chicago convention and Peter Toft was chosen county committeeman.

Santa Claus will be at Reeve's 1 rug Store Christmas Eve about 7:15 p.m. All boys and girls are invited to come and see him.

Mrs. Arthur Haley was hostess to a group of bridge players at her home, prizes going to Mesdames Lulliver Lasco and Alonzo Runyard and Miss Ardis Grimm.

There will be no disconsolate weeping children in Antioch this Christmas because Wednesday night at 7:30 p.m. a big fat man from the North Pole with a red coat and white whiskers and a silver bell at the end of his tassel will be at the corner of Main and Orchard streets to greet all the boys and girls of the city with candy and apples and oranges galore. The large and beautifully decorated Christmas tree, which, with its glowing lights, will be the center of attraction at the program that night, was donated by Herb Vos. Gay Christmas carols will ring out on the frosty air as the kiddies line up to receive their share of Santa's goodies. The grade school band will furnish music for the affair, which is being sponsored by the Woman's club and the Legion, with the following in charge; Mesdames W.H. Osmond, Percy Chinn, Ben Burke, Miss Ardis Grimm, Rev. Rex Simms, and Archie Maplethorpe.

#### 30 YEARS AGO: DECEMBER 13, 1951

The seniors received their graduation pictures Tuesday in time to give them out as Christmas presents. Copies will be used in the school annual.

Farewells were said to the Rev. Francis M. Flaherty, and the Rev. Alfred Henderson was welcomed Monday evening by the parishioners and friends of St. Peter's Catholic church.

Mrs. Anthony Scully was chosen president of St. Peter's Alter and Rosary society at a meeting held Monday, Dec. 3.

#### 10 YEARS AGO: DECEMBER 15, 1971

The referendum to make the proposed Countryside Hospital a reality may have been dealt a death blow as voters defeated the proposal by an overwhelming three to one margin. Hugo C. Zerbe, president of the hospital board and public relations man stated, "It's a dark hour for Lake County."

On Saturday, December 11, the PM&L put on a special performance of "King Arthur's Sword" for a very attentive audience of over 100 trainable children of the Special Education District of Lake County. Pop was served and Jolly Old St. Nick (alias Al Bucar) passed out candy canes donated by the State Bank of Antioch. Everyone had a wonderful time.

High School sports spelled success this past weekend. The basketball team won both games all the way down on Friday and Saturday night and so did the Wrestling team take two wins.

### Along the way with ANNIE MAE

Former Antioch resident, Mrs. Sabra Shepherd, will be 88 years old on Friday, Dec. 18. She is presently living at the Hillcrest Nursing Home in Twin Lakes.

How about all her old friends sending her a birthday card. I'm sure it would be greatly appreciated.

I see where Tami Beck, 1979 graduate of Antioch High School, has been inducted into the Kappa Theta Chapter of Kappa Delta Pi at Illinois Wesleyan University.

Tami, who is a junior elementary education major, received this honor based on academic achievement and professional attitude.

Speaking of Antioch college attendees, congrats to Michael Volling, who will receive his Bachelor of Science Degree from Western Illinois University on this Saturday, Dec. 19.

And speaking of young Antiochans who are making their mark, Susan Abderholden, daughter of Dr. Edward and Mrs. Dolores Abderholden, is the new director of public affairs for the Association for Retarded Citizens Minnesota.

As director of public affairs, Susan is responsible for leading the association's efforts to represent the mentally retarded citizens of Minnesota in obtaining appropriate education, training and residential opportunities.

### Seniors urged to file for tax relief

Catholic Charities, Lake County office, is urging all eligible persons who have not yet filed for the 1980 Tax Relief Grant for Senior Citizens and Disabled Persons (Circuit Breaker) to do so before the deadline of Dec. 31.

This deadline refers to the 1980 Circuit Breaker, the grant is filed for every year, at the end of each year, and persons are given one year in which to file.

The eligibility requirements for the circuit breaker are that the person must be either 65 years of age or older or 100 percent disabled during the year he/she is filing for (1980 for the 1980 grant), have an income of \$12,000 or less (joint income of husband and wife), and live in Illinois.

There are actually two grants included in this tax relief. The property grant is a rebate on either real estate tax or rent paid. The amount of this grant is determined by the relationship between the amount of real estate tax

or rent paid and the amount of income.

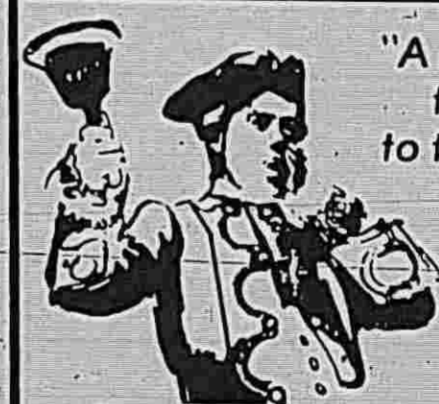

The other grant is called the additional grant and is a rebate for other taxes the person may have paid; the additional grant is figured on a percentage of income and ranges from \$50 to \$100. Thus, even persons who do not pay rent are eligible for this additional grant.

Application forms for the 1980 grant, as well as assistance in completing the forms, are available from the Catholic Charities Senior Information and Referral staff at 1 N. Genesee St., Waukegan, phone (312) 623-6700 and at the Round Lake Area Senior Center, 916 Rollins Road, Round Lake, phone (312) 546-0056.

#### EXTRA CASH

According to Antioch Village Trustee Claudette Skvarce, the village's parks and recreation department brought in \$850 additional income to the department in the past three months through various programs.

## Express mail recommended

Express mail is now the best answer for those who have not mailed their Christmas gifts, Postmaster Nancy Moore of the Antioch Post Office advised today.

The Postal Service's guaranteed overnight delivery service is available to most major cities.

"Sending a package, even by one of our other priority options, could result in disappointing someone if, at this late date, the item had to go a long distance," Moore said.

She noted that with express mail, the higher cost is offset by the expedited nature of the service, a money back guarantee, and a lower cost per pound as the weight of the parcel increases.

"Best of all" she said, "there is no additional charge for delivery on Sunday, or on Friday, Christmas day."

"If it's mailed by 5 p.m. one day", the postal office said, "delivery by 3 p.m. the next day is guaranteed, or you get your money back."

"Express mail has a service record of over 99 percent delivered within 24 hours," she added.

Items weighing up to 70 pounds can be sent by express, mail, and fees include merchandise insurance coverage up to \$500.

For further information, please contact Moore at the Antioch Post Office, at (312) 395-0097.

## Eighth grade eagles win

On Dec. 6, the sixth and eighth grade teams from St. Peter, Antioch, and St. Bede, Fox Lake, encountered each other in a two game basketball match in St. Peter's gym.

Steve Dittrich has high scorer for St. Peter with 10 points, Dave Wick seven points, Scott Frasch six points, Bill Letky and Greg Fisher each had two points.

The seventh grade of St. Peter lost to the Mustangs of Montini, McHenry, in the St. Francis Tournament in Lake Zurich on Dec. 9.

The score was 45-33. High

The St. Peter eighth grade team won by 41-31. Eric Riedl led the scoring with 20 points. John Fritz had 10 points, Bruce Marquenski eight points, Steve Hanson two points, and Robbie Cote one point.

At half time, St. Peter led, 17-15, but pulled away in the second half on good defense by Robbie Cote and Marquenski's rebounds.

The St. Peter sixth grade team was not as fortunate. It looked like it was all over at half time when they were losing, 22-0. But in the second half, they outscored St. Bede, 27-7, but still lost 29-27.

## Tax sale scheduled

The Lake County Collector will hold the annual tax sale, as required by law, on Dec. 14 this year.

Homeowners should be aware that once the taxes are sold at the tax sale, the amount they will have to pay increases substantially.

A \$1,500.00 tax bill that was paid on Dec. 11 would cost the taxpayer \$1,554.50, but if that bill were paid on Dec. 15, 1981 the taxpayer could owe \$1,850.83 (Judgment Amount plus 18 percent).

On June 15, 1982 that figure would rise to \$2,133.00 (Judgment Amount plus 36 percent).

The above figures are being published to forewarn taxpayers that the interest penalties are substantially higher after the tax sale.

# ANTIOCH BOWL

Rte. 173, Antioch, Illinois

## Carole Reports Carole says 'Relax!'

by CAROLE RISK

Deck the halls with boughs of holly, tis the season to be jolly, and so goes one of Christmas best known songs.

It's the season to be frazzled and frantic too. Truthfully with all there is to do, shopping, wrapping gifts, entertaining and the holiday housecleaning, the stress can become ridiculous, and stress leads to fatigue.

All the pressure and tiredness leads to lack of patience, arguments, silly accidents, and not so silly accidents. None of these situations are apt to make you very jolly.

When things get to be too much, back off, slow down, Christmas will still be Christmas, even if you don't bake five different kinds of

cookies or polish every doorknob in the house, or look like a fashion model while preparing a six course dinner.

It's possible, that by planning a schedule where there is time now and then to sit with your feet up and relax, family and friends will find your holiday spirit so revived and refreshed that your good humour will make this time of the year happier and merrier for everyone.

Another tip for making yourself feel good, get your mind off yourself and do something for others. You could begin by thinking of someone who has no one to spend the holidays with, and offer to share your good fortune with them.

## Letter to the Editor

Editor:

I am a special education teacher at Antioch Community High School who works with students with vision handicaps. My job is to help my students become more independent by doing things for themselves. Also my students will never be able to obtain a drivers license because of their limited vision and therefore need experience with public transportation.

Buses and trains are very limited in this area as are most taxi cabs. Through a mock lesson, two students were working on gaining the experience of calling a cab. I had one student call the cab company for fare information.

She is a slow speaker but we had practiced her speech and she did very well. She dialed the Lake Region Cab Co. in Fox Lake and the attitude of the operator she met on the phone was very upsetting to me.

My student was treated very rudely and called a "retarded kid", then the operator hung up on her.

I immediately called back to speak to this person only to be met by the same attitude. When I explained what we were trying to ac-

complish, such comments were made to me like, "don't put children on the phone", "I don't have time for these lessons", "I have a business to run", etc.

I also was treated very rudely when I inquired of her, why she referred to a customer as a "retarded kid". She obviously knew this was not a prank call or she would have said "delinquent kid".

She became very defensive and hung up on me, also. When I called later to speak to the manager about this rude and improper treatment, I was informed by the same woman operator that she was the owner's wife.

I personally do not feel this is a proper way to treat anyone who is asking for information, none the less a potential customer, as my student obviously is.

My only recourse for satisfaction is to write this letter in hopes that it will be printed and that you, the future customers of Lake Region Cab Company in Fox Lake will think about the attitude my student and I received and dial another cab company.

Anne Mullally  
teacher of the visually handicapped,  
Antioch Community High School

## Moose Women dance

The Dec. 3 meeting of the Women of the Moose was attended by 28 members. Three candidates were enrolled: Anita Carter, Maxine Smolarek and Margaret Cole.

The class of three was named in honor of the Social Service Committee Chairman Caroline Procknow. She and her committee were in charge of the entertainment and refreshments. Chairman Caroline followed the meeting with a bake walk.

The College of Regents Chairman, Judith Kelly reminded all of the bake sales during all December fish fries. A meat raffle is also being run by the committee with winners to be drawn on Dec. 18. Proceeds from both projects as well as a later project will be used towards sending Past Regent Mary Galster to Jacksonville, Florida next

June to receive the coveted cap and gown.

Senior Regent, Terry Smallwood made announcements of upcoming events in December and told the co-workers of the Loyal Order open enrollment in

honor of the mortgage burning ceremony on Jan. 23. Co-workers were asked to donate dishes for refreshments. A dance will follow the enrollment.

The next business meeting to be held Dec. 17.

## Block grants eye drainage woes

The drainage problems of residents of the Lake Catherine-Channel Lake area may be growing nearer to their solution, with those that attended an Antioch Township Community Development Block Grant Hearing voting almost unanimously to apply for a \$20,000 block grant for a study on those problems.

Some residents seemed worried that funds to do the project might not be available after the study is completed, so they came up with the idea of spending the money directly on the project, bypassing the study.

Antioch Township Supervisor Jim Fields voiced his approval of using the funds, if and when received, for the study, saying that it will belong to the public and be available to highway and county departments for their use.

Crossing the bridge of the funding for the actual implementation of the study when it is arrived at was also advocated by Fields.

The township will submit the application to the Lake County Community Block Grant Commission on Monday, Dec. 15, expecting to be notified if the committee gives grant approval in January.

The next step will be to send the application on to the Dept. of Housing and Urban Development, its answer anticipated by early spring.

If everything goes according to plan, the monies will be available to the township in July.

Kenneth Patchen, senior planner for the Lake County Board for Planning, Zoning and Environmental Quality, said that he hoped that the study will be completed by the fall of 1982.

## 4-H meets

The Town and Country 4-H Club held their third meeting at the Old Firehouse in Antioch.

At this meeting they discussed the next meeting during which they would exchange Christmas gifts with each other, and bring cookies for senior citizens.

They received last year's fair winnings, and everyone was pleased.

After the meeting was adjourned, Anne Mullally, a teacher at Antioch High School special education, talked about the blind.

## Taws and Paws plan to swing

The T-P Taws and Paws Square Dance Club invites all dancers to its Christmas Swing from 8 to 10 p.m., Friday, Dec. 18, at Lake Shangri-La Community Hall, 22112 121st St. in Kenosha County.

An optional gift exchange of \$2 is planned. There could also be a surprise visit from Santa.

Caller for the evening will be Ted Palmen, with rounds and lines by Doris Palmen. The level of dance will be Mainstream and Plus I alternating.

Refreshments will be served and banners are available to visiting clubs. There will be no fish fry until January.

Plans are in the making for a new beginner's class to start in January in Antioch, so please keep this in mind if you're interested in learning to square dance.

For further information, call (414) 857-2513 or (312) 244-2116.

# Sequoits break losing streak

by GLORIA DAVIS

The Sequoit varsity basketball team almost brought its losing streak to an end on Friday, Dec. 11, when they went up against the Grayslake Rams, but a third quarter that had the Rams outscore the Sequoits 12-4, brought about the final score, Rams 49, Sequoits 47.

Antioch, leading at half time, never caught-up again.

Bob Gatti and Tom Anderson were the leading scorers for the Sequoits with 13 points each.

But it was a different story on Saturday, Dec. 12, when Antioch finally snapped that streak by upsetting North

Chicago 50-45.

The Warhawks lead through the first half and, although Antioch came back in the third quarter, still held a one point lead when the buzzer sounded ending the third quarter.

"It was nip and tuck," according to Coach Roger Andrews, until the four minute mark and from then on the point spread fluctuated from one to three points.

With seven seconds left, Dennis Cardiff was fouled after taking a North Chicago rebound and made both free throws, putting Antioch ahead.

Leading scorers for the Sequoits were Steve Sheedlo,

with 19 points and Bob Gatti, with 16 points.

Mike Gofron, Anderson and Brad Herbst, all did a good defensive job.

The Sequoits face Wauconda on Friday, Dec. 18, at Wauconda and Lake Forest on Saturday, Dec. 19, at Lake Forest.

"After last Saturday's game, we've proved we can play ball with anybody," said Andrews, who is expecting a "scrappy game" from Wauconda.

"Lake Forest is in a down situation, having been beaten the last two times out, let's hope they're still down when we meet them," Andrews added.

## Frosh take Rams, 52-30

Antioch's freshman basketball team downed visiting Grayslake, 52-30, Saturday, Dec. 12.

The young Sequoits are now 2-2 overall and 2-0 in conference play.

Jeff Johnson and Dave

Hart each had eight baskets to lead the scoring with 16 points. Joe Keim added 10 points and Bill Kaht and Chris Zeien scored six and four points respectively.

In the "B" game, Mike Drozek scored 10 points, Scott Stowers nine and Brad Poulter eight to lead the home team to an easy 42-21 victory.

The "B" team was also praised for a good all around team effort.

The "A" team will play this week in its own tournament on Monday, Wednesday and Thursday evenings, Dec. 14, 16, 17. Their first game is at 6 p.m. against Highland Park.

## Frosh matmen begin season

Friday, Dec. 4, the Antioch High School Freshmen Wrestling Squad opened its season against Round Lake. The freshmen matmen soundly defeated the Round Lake squad by a score of 46-30.

**PATCH AWARDS:** Sandy Padjen 163; Jamie Stancil 181; Jill Johnson 172; Lisa Lazzare 108; Cheryl Snell 188-460.

Mat Pilkington at 138 pounds, Mike Dydo at 145 pounds, Andy Vinnes at 155 pounds, Jim Pincing at 167 pounds and David Lear at 126 pounds, all had pins and turned the meet around for the Sequoits, who had to forfeit the 90, 98, and 112 pound weight classes.

Contributing winning decisions were John Geier at 119 pounds and winning by forfeit were Chris Buxton at 185 pounds and Jamie Olson.

A fine effort was exerted by Ken Kresen at 105 pounds and Jay Bayless at 132 pounds.

**ANTIOCH VS. ROUND LAKE**  
90 pound class — Round Lake won by forfeit; 98 pound class — Round Lake won by forfeit; 105 pound class — Kevin Gricar (RL) fall over Ken Kresen (A) in 5:56; 112 pound class — Round Lake won by forfeit; 119 pound class — John Geier (A) decision over Gonzalez (RL); 14-0; 126 pound class — Dave Lear (A) fall over Marco (RL) in 4:48; 132 pound class — Taylor (RL) fall over Jay Bayless (A); in 1:43; 138 pound class — Mat Pilkington (A) fall over Flynn (RL) in 1:27; 145 pound class — Mike Dydo (A) fall over Nootbaar (RL) in 2:57; 155 pound class — Andy Vinnes (A) fall over Scawronski (RL) in 2:29; 167 pound class — Tim Pincing (A) fall over Sanchez (RL) in 1:20; 185 pound class — Chris Buxton (A) win by forfeit over Round Lake; Heavyweight — Jamie Olson (A) win by forfeit over Round Lake.

The Antioch freshmen mat team exhibited fine spirit and sportsmanship and made a fine showing. The Sequoit freshmen will compete against Wauconda, Dec. 18, at Antioch High School and also in the Warren Tourney Dec. 19, at Warren.

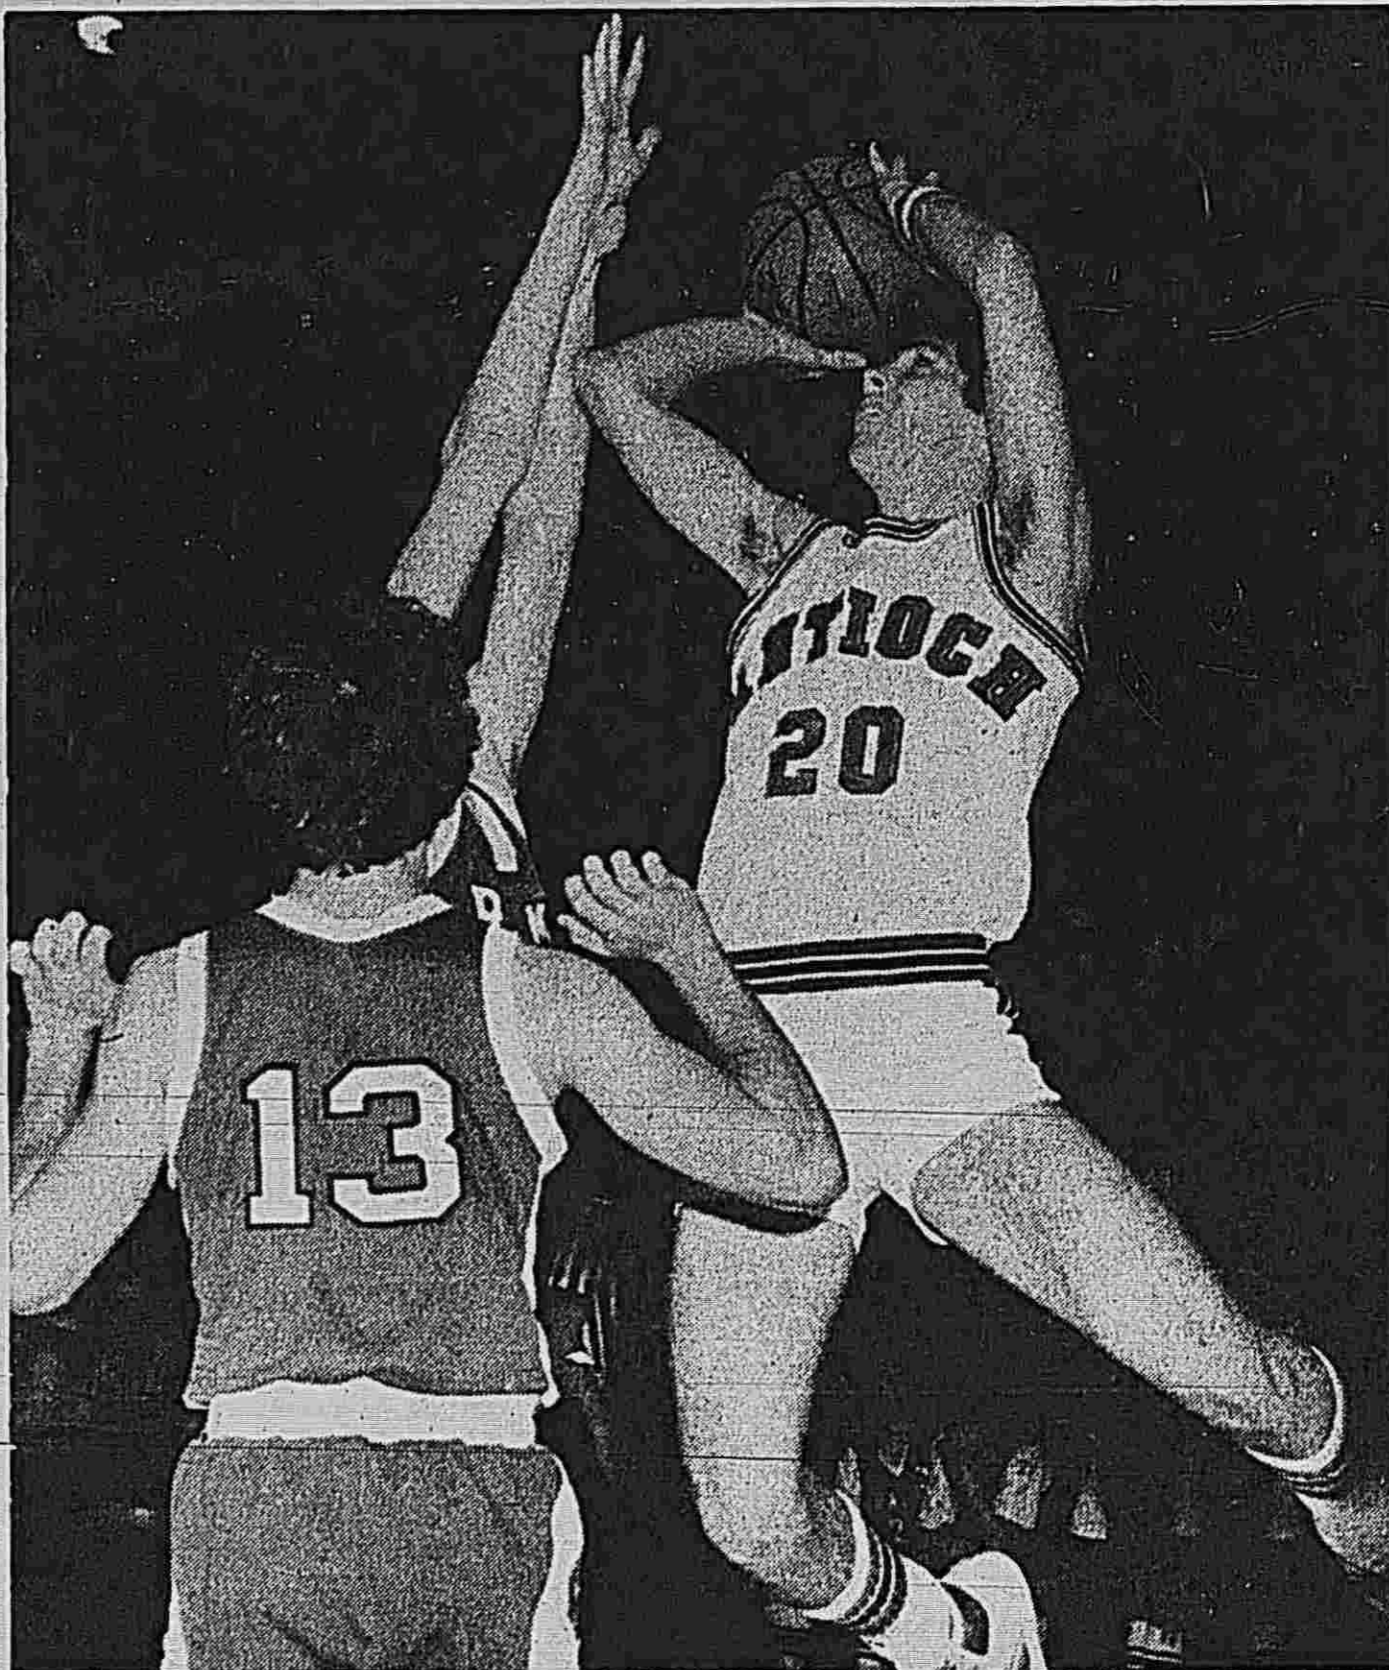

## Sequoits frosh Smash Panthers

Antioch's freshman A team opened its 1981-82 conference season with a rousing 68-26 win over visiting Round Lake. The victory evens the young Sequoits season record to 1-1 after last week's loss to Libertyville.

Antioch started out slowly and led only 10-6 after one period with Jeff Johnson scoring eight of the 10 points.

A full court press completely destroyed the Panthers in the second quarter as Dave Hart scored eight and Joe Keim added six, bringing the half time score to 32-10 with Antioch still leading.

The press continued to

**SHEEDLO GOES FOR BASKET** — Sequoits' Steve Sheedlo, 20, goes up for basket against Rams' Ted Bartholomew, in Friday, Dec. 11 game that was won by Rams, 49-47. Photo by Mike Babicz

### Ask Dr. Sven

by Robert T. Sven B.S.D.D.S.

### WHY DAILY FLOSSING?

Social standards of hygiene demand that we brush your teeth every day, yet flossing is even more important! For 70 percent of the bacterial plaque — the cause of both tooth decay and gum disease — is located between the teeth. Brushing alone can only remove the remaining 30 percent.

Proper flossing technique — best demonstrated by a dentist or hygienist — takes less than two minutes, certainly a small investment considering the positive benefits.

Flossing fixed bridgework takes a little longer, but it is just as important. The supporting teeth as well as underneath the false teeth can be flossed with the aid of a soft plastic floss threader or bridge cleaner.

Dr. Sven will be happy to answer individual questions about dental problems. Address personal inquiries to his office.

## ACHS Chorus schedule annual holiday concert

Antioch Community High School choirs will present their annual holiday concert entitled Christmas Joy, at 7:30 p.m. on Thursday, Dec. 17, in the high school auditorium.

Opening the concert will be the freshmen girls' chorus singing "Hosanna," "Angels We Have Heard on High," the ever popular "Do You Hear What I Hear," along with

other songs of the season.

The concert choir will follow with "Sing to Him a Song of Love," "A Star Shone Bright," two French carols and a 17th century carol.

Two special features of the evening will be the Madrigal singers and the string quartet which was introduced at the fall concert. The quartet will play the "Pastoral Symphony" from the "Messiah."

Climaxing the evening's program will be the A-Cappella choir performing a wide range of Christmas songs, including "Gloria in Excelsis" by Mozart, "And the Glory of the Lord" from the "Messiah" by Handel, "Jazz Gloria" by Natalie Sleeth, and "Tiny Little Baby Boy," by Robert Thygeson.

Tickets may be obtained from any of the choir members and at the door. Adult tickets are \$2 and students are \$1.

## AARP Christmas party success

by BERNICE BERNAU

Cecile Mann, president of the Antioch Chapter 387 of the American Assn. of Retired Persons (AARP), welcomed over 200 members and invited guests to the association's Christmas party held at the Hunter Country Club in Richmond on Dec. 8.

The tables were decorated with red, green, gold and silver topiary trees, made and donated by Arlene Brumbaugh. Each member received one to take home.

She also made a large one for the head table of gold glitter. She was recognized by Mrs. Mann for her generous donation.

REV. STEPHEN W. Williams, pastor of the United Methodist Church in Antioch, gave the invocation.

Mayor Raymond Toft wished the members a Merry Christmas and a Happy New Year. He told them he thought the new addition to the Antioch Area Senior Center would be ready by the first of January and that the club should be able to go there for its Jan. 12 meeting.

Thanks to Clarence and Dolly Spiering and their generous donation, 30 additional feet have been added to the existing building at 817 Holbeck. A new ceiling, making the acoustics better, is also being installed.

MAYOR TOFT thanked the Spierings again, on behalf of the village of Antioch.

Loretta Schiffmann, program chairman, arranged for the fabulous Round Lake Hot Shots Kitchen Band to perform. The group, led by Eloise Brown, gave a sterling performance for their peers, showing why they won first place in the Lake County Senior Talent Show in October.

Mabel Cork did her cute, naughty dance, to "If you Knew Mabel." John Banmore sang "I Believe," and Charlie Popp gave a drum solo that had everyone wanting to march around the room.

THE BAND played everything from "Jingle Bells" to "Cruising Down the River."

The audience joined in singing.

Rev. Williams introduced Ella Cerny. She was

recognized for her 30 years of loyalty to the veterans in the hospitals. He told of her having had five sons in the service and for these many years she has served with her hands, heart and mind.

Ella will be 85 years young in March.

JIM FIELDS, Antioch Township supervisor, sent a Christmas table decoration to the club. Esther Aiani, assistant state director for Northern Illinois, presented it to Mrs. Mann.

Mrs. Mann presented all the board members and chairpersons with a bottle of wine from the club, in appreciation for their service. She gave bottles of wine herself and Santa Claus door knob covers for door prizes.

The First State Bank of Antioch donated several Pillsbury Bake-Off Cookbooks for door prizes and ballpoint pens for each member.

Members are asked to watch the paper for notification of where the

January 12 meeting will be held.

ANTIOCH CAROLERS — 'Tis the season to be jolly! Strolling carolers will brighten the holiday spirit at Hawthorn Center with their festive holiday music and traditional Christmas carols beginning Friday, Dec. 18 through Wednesday, Dec. 23, from 6 through 9 p.m., on weekdays and 1 through 4 p.m. on weekends.

Dressed in authentic Victorian costumes, ready to lift their voices in song, are from left, Cindy Livermore, Lake Zurich; Peter Thelen, Spring Grove; Roz Trusky, Winthrop Harbor; Keith Boehm, Antioch; Marietta DiPrima, Libertyville; and Ken and Betty Smouse, Antioch.
